## President's Welcome Letter

On behalf of the Board of Directors of the MBAM, it is my pleasure to welcome you to the 2018-19 bowling season.

As in recent seasons, our membership manual will be available on our website, as well as in hard copy at the opening tournament of the season for each division. Please take the time to read and understand the contents of our manual as it contains the rules and regulations of our Association, as well as our expectations of our membership. In particular, please pay attention to the *What's New* page in the manual to see what has changed for the 2018-19 season. As was decided at the April 2018 AGM, the final tournament for all divisions will be held at the same time for this season, and lineage for this final tournament must be prepaid with your membership. Also, please pay special attention to how the membership dues have been restructured for this season. As always, the Board of Directors is at your service, and if you have any questions, concerns, or ideas please don't hesitate to contact a Board member and let us know what you think.

At the 2018 Masters Nationals in Thunder Bay, our Manitoba contingent represented our Association with pride and class, and was ultimately very successful, finishing 2<sup>nd</sup> in the Aggregate standings. At the end of the tournament, our contingent came home with five medals – three gold and two silver. I would like to extend special congratulations to our Teaching Men's Team, our Tournament Men's Team and our Tournament Men's Single Geoff Born who all returned with gold medals.

The Winnipeg franchise owners of Liberty Tax Service are continuing their proud sponsorship of the Master-Bantam-Junior tournament for a 9<sup>th</sup> season this year. The Liberty Tax perfect game award continues into a sixth season, and will be worth \$2000 to any Master that bowls a perfect game in one of our provincial tournaments. We continue to thank Liberty Tax for their support and urge each and every member to support them whenever possible.

It has been noticed that membership in our Association and participation in fundraising initiatives have been relatively static over the last few seasons. On behalf of your Board of Directors, I encourage all Masters to help us recruit new members for our Association and to get out and participate in our fundraising efforts beyond the annual Grey Cup tickets. Growing our membership and increasing our fundraising efforts help keep our membership and programming affordable for all Master bowlers.

In closing, I want to thank the membership for their continued support of the Masters. I wish you all the best of luck and much success this season.

Sincerely,

Tim Hooper  
President, Master Bowlers Association of Manitoba

## **New for 2018 – 2019**

***PLEASE TAKE CAREFUL NOTE OF THE FOLLOWING CHANGES TO THE FEE AND PAYMENT STRUCTURE THAT WILL BE IN EFFECT STARTING WITH THE 2018/2019 SEASON.***

### **1. Membership Dues and Tournament Fees**

<b>Old</b> – Membership fee including any 1 division	\$100.00
<b>Old</b> – Fee for each additional division entered	25.00/division
<b>New</b> – Membership fee only	\$ 50.00 *
<b>New</b> – Fee for each division entered	\$ 50.00/division

**Old** - Life-time members were previously granted an exemption from all membership fees.

**New** – Life-time members will now be exempt from paying the membership fee and are entitled to play in any 1 division free of charge. Any additional division(s) will be charged at the prevailing rate of \$50.00/division.

This means that if you join and elect to play only 1 division, your total fees will remain the same as last year. This new structure also allows for a person to join the association without bowling in a division. Members choosing this option will have voting rights at the AGM.

### **2. Prepayment of Final Tournament Lineage**

As was quite heavily discussed at last season's AGM – it has become a problem that an increasing number of bowlers who feel that they have no shot at qualifying for a spot on the provincial contingent are opting out of playing the final event of the season. Unfortunately, this is quite often without giving notice to the tournament director of their decision to not play. This is also a problem for the proprietors that have agreed to host our final event, only to have a smaller number show up when they have closed off their open/birthday party play to accommodate us.

***As passed by a vote of the membership in attendance at the AGM, the lineage fees for the final tournament event will now be paid in advance, together with your membership fee, prior to the first event of the season. Should a Master choose not to play in the final event, their lineage will be forfeited.***

Any special circumstances to be ruled on by the Board of Directors.

To keep up with changing times and modified league structures, we have also amended the number of games required to establish a qualifying league average (from 60 to 45) to accommodate those players that do not yet have an established Masters average and may not play in a league that runs a full regular season.

**If you have any ideas or suggestions that you would like to bring forward to improve or enhance our Association, please submit them in writing to any board member. See the board of directors listing for contact information.**

## **FUNDRAISING**

As the MBAM is a non-profit organization, the association relies heavily on various fundraisers to survive. Each year, our fundraising director is responsible for setting up and administering the fundraising on behalf of the board of directors of the MBAM. **All MBAM members (excluding associate and basic member categories) are required annually to raise a minimum amount of \$100.00 fundraising dollars as set out by the association, unless the \$60.00 cash fundraising option is chosen and paid at time of registration submission.** For current fundraising information and obligations, please contact the fundraising director listed in the Board of Directors directory.

**The MBAM fundraising deadline is January 15<sup>th</sup> of the current bowling season**

\* \* \* \* \*

**A fundraising option is available to all MBAM members and includes the payment of \$60.00 in addition to all membership fees that must be submitted at the time of registration & membership payment**

To supplement our fundraising dollars, during our events Masters typically sells 50-50 draw tickets and sometimes other draw tickets, none of which are mandatory, but help to ensure Masters has the cash to continue to compete at the nationals without expecting the bowlers and coaches to pay large sums out of their own pockets. Please continue to support these fundraising initiatives.

In addition to the fundraising requirement, Masters typically hosts a fundraising event each year that involves selling tickets to your friends and relatives, providing donations for a silent auction, and sometimes helping out at the event itself. Please help out your Association in any way that you can when these events come up. It is only through a joint effort of all of the Membership that these events can be a success.

To volunteer, or for any further information please contact any MBAM board of director. Additionally, if you have any suggestions for fundraising, please contact the fundraising director listed in the Board of Directors directory.

- 3) All MBAM tournaments will be conducted under the playing rules of the C5PBA and the Master Bowlers Association of Canada.
- 4) A surcharge of **\$25.00** will be charged for any NSF cheque issued. **Members will not be allowed to bowl in any event(s) unless all outstanding funds and penalties owing to the MBAM are reconciled/received, including any charges owed for NSF cheques.**
- 5) Membership fees are to be paid as outlined on the membership and fee schedule.
- 6) All entry deadlines will be strictly observed.
- 7) All applicants must be at least 19 years of age by December 31<sup>st</sup> of the current year.
- 8)
  - a) All members of the tournament, teaching and senior divisions may be required to raise funds through various fundraising events throughout the year.
  - b) Deadline for fundraising is January 15<sup>th</sup> of the current season.
  - c) Any member who does not fulfill his/her fundraising obligations, as determined by the members at the AGM, will forfeit his/her eligibility to represent Manitoba at the Master Bowlers Association National Championships.
  - d) If the fundraising requirement is not met, the balance owing will be carried forward to the following season.
- 9) All members of the Master Bowlers Association of Manitoba must adhere to the dress code set out below for all provincial qualifying events, as well as any youth events conducted by the Master Bowlers Association of Manitoba.

Tops (shirts) – any collared (i.e. golf type) shirt identified with MBAM cresting or lettering. We encourage all members to wear the official provincial shirt during all events, but this is not mandatory. Shirts bearing other provinces' logos and names are not acceptable.

If a shirt is worn under the collared shirt, it must be plain (no logos, crests, printing, pictures), and one solid colour in either black, yellow, or white.

Bottoms – Any solid black: dress slack (no stripes or pattern), “Pace Setter” pant, yoga pant (no coloured waistband), walking or golf shorts, skirts, or skorts. To be clear – the following are ***not*** acceptable: basketball or gym shorts, tights, leggings, capris, rugby pants, denim, stirrup pants, pants with a gathered or elastic hem, or sweat pants.

Both the tops and bottoms, along with your bowling shoes, should be clean and presentable (not torn or faded) befitting the prestige of the Association.

- 10) Bowlers will change lanes after each game is completed in tournament play.
- 11) Any game missed or frames missed count as a zero score in tournament play.
- 12) The consumption of alcohol is permitted within all divisions, **except** during the Youth Events.
- 13) The use of drug stimulants during a tournament is prohibited. Members under the obvious influence of drugs at the start of a tournament will face immediate disqualification from the current tournament. For subsequent offenses, the board of directors' decision will be final.
- 14) **Deportment** Inappropriate Conduct or Conduct Unbecoming a Master Bowler includes: swearing loud enough for others to hear, abuse of bowling centre equipment (kicking or hitting ball racks, walls, seating, and scoring devices, pounding floors, and intentional lofting of balls), and loud and/or disruptive displays of negative emotions. This is not meant to discourage cheering, which, we acknowledge, can also be loud at times.

Any behavior found to be inappropriate as detailed above will be dealt with in the following manner:

**Warning #1** – Verbal warning. The offending bowler will be advised of the particular behavior that has caused the warning and will be asked to watch his or her conduct to avoid a further warning. The consequences of a second warning will be explained at this time. The bowler is considered to have been given a “yellow card” at this point.

**Warning #2** – The bowler will be asked to leave the tournament and will be advised that his or her scores will not count – as if he or she had not played the event. The bowler is considered to have been given a “red card” or disqualification at this point. In addition, that bowler will be ineligible to play in the next regularly scheduled tournament that he/she would be entitled to enter as a member of a division/divisions.

If a bowler receives a “yellow card” at more than one event in the same bowling season, he/she will be disqualified from participating in the next tournament, regardless of the division.

If a bowler receives a second “red card” in the same bowling season, that person will be suspended from the Master Bowlers Association of Manitoba indefinitely until such time as he or she can demonstrate to the Board that they have adjusted their behavior sufficiently to warrant their reinstatement as a Master Bowler.

The Board reserves the right to rule on the possible suspension of any member for inappropriate conduct at any time.

In the case of suspension, the suspended bowler has the right to appeal the decision, in writing to the Board.

Warnings may be given by a Judge of Play, the Tournament Director, or any other Board Member present.

In the event that you are asked to leave the premises by the proprietor because of your behavior, you will have been deemed to have received a red card, with all the penalties that implies.

- 15) Any disputes between Master bowlers and the MBAM, other than the disqualification outlined in rule #13, will be settled by the right of appeal in writing by any or all parties.
- 16) Suspension or fining of a Master bowler for conduct detrimental to the MBAM or the sport of 5 pin bowling will be the end result of a written complaint within 30 days of the event and a hearing conducted by the board of directors of the MBAM. The right of appeal in writing by any or all parties is an inherent part of this rule.
- 17) Any member suspended during the season will be liable for any and all financial obligations as laid out for the senior, teaching and tournament division members, during the current year in which the suspension occurred. Failure to fulfill these obligations will eliminate any reinstatement in the MBAM until such time that obligations are paid in full.
- 18) Any bowler is allowed to enter one tournament during the season as a guest in each division of the Masters for which he or she qualifies; not including the last tournament of the season. He/she would be required to pay applicable lineage and would be eligible for prize money only if he/she chooses to participate in that part of the tournament and pays the applicable assessment for the prize money fund. Tournaments bowled as a guest do not count towards national qualifying or toward your Masters average.
- 19) In the event that a bowler qualifies for a national position in more than one division, he/she will advise the board prior to the start of the AGM as to which division he/she will compete for at the Nationals.
- 20) Following the final qualifying game for any of the national contingent positions, if there is a tie for the first, last or alternate position, the individuals concerned must bowl a one game roll off. In the case where all individuals are not present, the tie or ties will be broken by using the highest current season qualifying tournament, i.e. in the teaching and senior division this would be the highest POA; in the tournament division, the highest tournament pin fall.
- 21) Exceptions to any rules and regulations will be made at the discretion of the executive of the MBAM.
- 22) Although not a requirement of membership, the MBAM board strongly encourages all members to obtain and maintain their coaching certification through programs and clinics offered through the Manitoba Five Pin Bowling Federation.
- 23) During combined tournaments, where a Master is a member of two or more of the divisions competing, that Master's score will count for each division of which he/she is a member.

## **TOURNAMENT DIVISION RULES & REGULATIONS**

- 1) New male applicants for membership must have a proven minimum average in one or more leagues of **215** subject to approval of the board of directors. New female applicants for membership must have a proven minimum average in one or more leagues of **200** subject to approval of the board of directors.
- 2) The minimum average requirements as outlined in rule #1 will apply to all renewing members, as well as members from other Master's divisions, who wish to compete in the tournament division as a secondary division. In addition to league average, the competitor may use their previous year's Masters average as a means of meeting the minimum average requirement, with a minimum of 24 games.
- 3) Tournament division members agree to participate in tournaments on the Manitoba tour each season. Lineage and any assessments (if applicable) must be paid by the members before the start of the tournament.
- 4) If entering the tournament division it is acknowledged that you will not be reimbursed for any membership fees, even though you may not participate in all of the tour tournaments (as set by the membership). Any extenuating circumstances shall be submitted in writing to the board of directors for their decision. As a courtesy to the tournament division director, please advise as soon as possible if you are unable to attend a tournament.
- 5) **FORMAT:** Tournament members may compete in up to six tournaments in a season. Each tournament consists of an eight game qualifying round. The top qualifier in each of the ladies and men's events will be awarded stars for winning each of the six tournaments.

Following each tournament event, an optional stepladder may be held. The stepladder format and cash prizes are to be determined by a vote by tournament members prior to the first tournament of the season. Stepladder scores do not count towards provincial singles or team positions.

- 6) In case of a tie for the last qualifying spot in any tournament, a complete game will be bowled to break the tie. If it is still tied, a two (2) frame roll-off will be bowled until a winner is declared.
- 7) Six (6) male and six (6) female competitors will qualify to represent Manitoba in the national championships each year. These tournament Masters will be determined by taking the top four (4) tournament scores out of the six possible tournaments. Once the top six (6) men and top six (6) women have been decided using the bowlers' best four (4) tournaments, the singles representatives will be declared by adding the bowlers' next best tournament and recalculating the results so that the top five (5) tournaments are used to declare the singles champions to represent Manitoba at the Nationals. The top male and female Masters obtaining the highest pinfall for the five (5) tournaments will be the singles representatives with the remaining five (5) being the team representatives. This means that to be eligible to be the singles representative, a bowler must have completed at least five (5) of the six (6) events. Any fundraising requirement must also be met by the stated deadline.
- 8) In the case of a tie for first (using five (5) tournaments) or sixth (using four (4) tournaments) position of the national contingent positions, please refer to rule 20 of the GENERAL RULES.
- 9) Exceptions to any rules and regulations will be made at the discretion of the executive of the MBAM.

## **TEACHING DIVISION RULES & REGULATIONS**

- 1) The teaching division is intended for those members whose prime interest is instructing and coaching.
- 2) Membership is open to all 5 pin bowlers regardless of their average.
- 3) Tournament format is pins over average. Lineage and any assessments (if applicable) must be paid by the members before the start of the tournament.
- 4) Six (6) tournaments will be held, of which the best four (4) will be used to determine the national team qualifiers. The top five (5) male and top five (5) female teaching division Masters will represent Manitoba in the Masters national championships each year. Once the top five (5) men and top five (5) women have been decided using the bowlers' best four (4) tournaments, the singles representatives will be declared by adding the bowlers' next best tournament and recalculating the results so that the top five (5) tournaments are used to declare the singles champions to represent Manitoba at the Nationals. The top male and female with the highest pins over average for the five (5) tournaments will represent the province as the singles representatives as well as playing on the team. This means that to be eligible to be the singles representative, a bowler must have completed at least five (5) of the six (6) events. Any fundraising requirement must also be met by the stated deadline.
- 5) In the case of a tie for first (using five (5) tournaments) or fifth (using four (4) tournaments) position of the national contingent positions, please refer to rule 20 of the GENERAL RULES.
- 6) If entering the teaching division it is acknowledged that all membership fees will be prepaid and you will not be reimbursed for any membership fees, even though you may not participate in all of the tournaments (as set by the membership). Any extenuating circumstances shall be submitted in writing to the board of directors for their decision. As a courtesy to the teaching division director, please advise as soon as possible if you are unable to attend a tournament.

## **SENIOR DIVISION RULES & REGULATIONS**

- 1) Membership is open to any bowler who has attained 50 years of age by December 31<sup>st</sup> of the current year, regardless of their average.
- 2) Four (4) tournaments of eight (8) games each will be conducted each season.
- 3) Senior Division bowlers have the choice of entering to compete using a pins over average (POA) format or a scratch format. Lineage and any assessments (if applicable) must be paid by the members before the start of the tournament.
- 4) If, at the start of any season, there are not sufficient people choosing to play the scratch format to allow for at least 1 player qualifying for the Nationals to be a scratch player (see rules below), those people selecting scratch on their entry form will be given the opportunity to change their selection to POA and to compete in the Senior Division on a POA basis.

Once you have played an event in any season as a POA or scratch bowler, you cannot switch to the other format for the duration of the current bowling season, but you again have the choice between the two when you register next and subsequent seasons.

- 5) Based on the best 3 of the 4 qualifying events, the National team will consist of a combination of POA and scratch Seniors. The ratio of POA to Scratch will be based on the % of scratch players versus the total participants in the Senior Division:
- a) If less than 11% of the total Senior membership is scratch – then no scratch position(s) will be available on the National team
  - b) If 11-30% are scratch-then 1 scratch member will qualify together with 4 POA members
  - c) If 31-50% are scratch-then 2 scratch members will qualify together with 3 POA members
  - d) If 51-70% are scratch-then 3 scratch members will qualify together with 2 POA members
  - e) If 71-90% are scratch-then 4 scratch members will qualify together with 1 POA member

Example #1 – 5 people elect to bowl on a scratch basis and 35 people elect to bowl POA. Because 5/40 is 12.5% - rule b) applies and 1 scratch member will qualify together with 4 POA members

Example #2 – 3 people elect to bowl on a scratch basis and 35 people elect to bowl POA. Because 3/38 is less than 11% - rule a) applies and there would be no scratch position available. All 5 positions would be POA. In this case – those 3 people would have been advised of this and asked if they still want to play the Senior Division, but the POA format.

This would mean that the National Senior Division team would be made up of:

1. Highest Male POA (using 3 out of 4 events)
2. Highest Female POA (using 3 out of 4 events)
3. Highest Scratch (either sex – using 3 out of 4 events)
4. Next highest POA (either sex – using 3 out of 4 events)
5. Next highest POA (either sex – using 3 out of 4 events)

To determine the Senior Singles representative, whoever has the highest POA for their best 3 out of 4 events will be the singles representative. To be clear - For this position only, all players playing scratch will also have their POA calculated for their best 3 of 4 events and are also eligible for this prestigious honor. This in no way makes the scratch players eligible for any tournament stars or prize money on the POA side.

- 6) In the case of a tie for any of the national contingent positions, please refer to rule 20 of the GENERAL RULES.

### **ASSOCIATE MEMBERSHIP**

For Masters who wish to participate in the MBJ tournament only. Associate members are required to wear a suitable uniform as outlined in the general rules and ANY FUNDRAISING WOULD BE GREATLY APPRECIATED ON A VOLUNTARY BASIS.

**\*\*\* Associate members must declare intention to participate by October 31<sup>st</sup> of the current year**

### **ADMINISTRATIVE MEMBERSHIP**

For Masters who wish to let their name stand for a position on the provincial board, but who no longer wish to participate in tournaments.

- 1) Must be a member in good standing for at least 5 years.
- 2) May participate in the MBJ tournament, and optional tournaments as any non member.
- 3) Participation in fundraising is mandatory.
- 4) If elected to the board of directors, may be elected to the position of president and may represent the MBAM on the board of the Manitoba Five Pin Bowling Federation.

### **BASIC MEMBERSHIP**

Starting with the 2018/2019 season, a membership is available to bowlers wanting to maintain their membership in MBAM who, for any number of reasons, are not able/willing to participate in the events as a bowler, by paying the membership fee noted in the Membership and fees schedule. This membership grants the member voting rights at the AGM. ANY FUNDRAISING WOULD BE GREATLY APPRECIATED ON A VOLUNTARY BASIS.

## **MASTER BOWLERS ASSOCIATION**

### **AVERAGE CALCULATION RULES**

- 1) As of the 2014/15 season, we are using a “one average” system, meaning all tournament games bowled, no matter in which division, will count toward a bowler’s Masters average. This one average will be used in all qualifying teaching and senior tournaments on the Manitoba Master Bowlers schedule. While tournament division (scratch play) doesn’t require an average, some of those players also play other divisions, which is why any tournament division games are factored into the calculation. The only exception to this rule is that when a Master may be competing in one division on a Saturday and another division on the next day, the average used for the Saturday will be the average used for the Sunday. It simply isn’t possible to do the calculations and submit the averages in time for play the next day.
- 2) If a bowler has bowled at least 96 tournament games in any combination of the teaching, tournament, and senior divisions, the average used for a tournament will be their tournament average over their last 96 tournament games. If a bowler has not bowled a Masters tournament (teaching, tournament, or seniors) in more than 4 years they will follow the same rules as new bowlers. All tournament games bowled prior to 4 seasons before the start of the current season will be dropped from the calculation. (e.g. for the 2018-2019 season, only tournaments bowled during the 2017/2018, 2016/2017, 2015/2016, and 2014/2015 seasons will be used). ***Please note: Games bowled in any of the divisions as a guest do not count toward the 96 games.***
- 3) New Master bowlers will use their highest qualifying league average for the first tournament that they bowl in teaching or senior divisions.
- 4) New Master bowlers who do not have a qualifying league average will bowl the first tournament in teaching or senior divisions using the highest average entered for the same gender at that tournament.
- 5) A qualifying league average will be defined as your league average at a specified date with a specified number of games bowled as of that date. (e.g.) For the 1<sup>st</sup> & 2<sup>nd</sup> tournaments of the year, a qualifying average would be your last year’s finishing average with at least 45 games bowled; for all remaining tournaments the current year league average will be used if the bowler has the minimum number of games as listed on the Event Schedule. If the bowler does not meet the minimum number of games for the average to qualify, they must indicate that when advising the tournament director of their intention to enter the tournament.
- 6) Until the minimum 96 games has been reached, all bowlers must submit all qualifying league averages for each tournament that they participate in by the specified date or a \$10.00 fee will be levied.
- 7) Bowlers who have less than 96 tournament games and have a qualifying league average will use a composite average for the tournament. The average formula will be: 
$$\frac{(((96 - \text{\# of tournament games}) \times \text{highest qualifying league average}) + \text{total tournament pinfall})}{96} = \text{tournament average.}$$
- 8) Bowlers who have less than 96 tournament games and do not have a qualifying league average will replace the highest qualifying league average with the highest league average for the same sex for the tournament in the formula outline in rule #7.

## **EXAMPLES OF THE RULES**

- A) John Bowler has 96 tournament games on file from the 2014/15 and 2015/16 seasons; his last tournament bowled was in April 2016. His average of these 96 tournament games is 189. His end of season league average is 191. Using rule #2, his average for the first tournament of the year will be 189.
- B) Mary Striker rejoined the teaching division after being away for 4 years. Her end of season averages are 195 and 192 with at least 45 games bowled in each league. The average she will use in the first tournament of the year will be 195 using rules #2 and #3.
- C) Peter Bowler has joined the teaching division for the first time. He did not bowl in a league last year and therefore does not have a qualifying league average for the first tournament of the year, see rule #5. The highest average entered in the tournament for the men is 229 and for the ladies is 230. His average for the tournament will be 229, See rule #4.
- D) Teri Fouler has bowled 24 tournament games over the past 4 years with a pinfall of 4,817. Her highest qualifying league average is 189. Her tournament average will be 191, see rule #7.  
 $96 - 24 = 72$        $72 \times 189 = 13,608$        $13,608 + 4,817 = 18,425$        $18,425/96 = 191$
- E) Paula Pocket has bowled 64 tournament games over the past 4 years with a pinfall of 12,800 but did not bowl in a league last year due to an injury. The highest ladies average entered for the tournament is 230. Her tournament average will be 210, see rule #8.  
 $96 - 64 = 32$        $32 \times 230 = 7,360$        $7,360 + 12,800 = 20,160$        $20,160/96 = 210$

## **MASTER/BANTAM/JUNIOR TOURNAMENT**

The M.B.A.M. will conduct a Master/Bantam/Junior (MBJ) Tournament annually. Dates for the various steps are as stated in the Schedule of Events.

A \$10.00 team entry fee, along with the names and averages of all team participants competing at the Provincial final are to be forwarded to the MBJ Chairperson by November 15 of the current season. Please contact the MBJ Chairperson for further information regarding dates, locations and times.

### **Rules**

- 1) All bowlers on the active membership list of the M.B.A.M. are eligible to compete. **Masters must be registered by November 15th of the current season to participate.**
- 2) For all levels of competition, all Master Bowlers must adhere to the M.B.A.M. General Dress Code. Please refer to Rule 9 in the MBA General Rules or contact the MBJ Coordinator for more information if needed.
- 3) All youth bowlers must be paid members of the YBC Program and must have bowled a minimum of three (3) weeks in the current season prior to the average date for provincials.
- 4) Each team shall consist of 1 Master bowler and 3 youth bowlers. There must be at least 1 Bantam bowler on the team with the remaining 2 bowlers being either Bantams or Juniors. There can be no more than 2 Juniors per team. The MBJ coordinator for each house is responsible for selecting the team(s). House selection (to be determined at the discretion of the Centre) must be completed by November 15 of the current season.
- 5) Teams that are one (1) bowler short at the Provincial final will bowl using 9/10 of the missing bowler's average or the missing bowler may be substituted by another bowler from the same Centre.
- 6) At the Provincial Finals, winning teams will be determined by pinfall over averages for the YBC bowlers only. The Master's scores are of no consequence as participation with YBC is the important factor of this tournament.
- 7) The number of Teams advancing to the Provincial Final from a centre can not exceed 25% of the Lane Beds within that participating centre (ie. A centre with 16 Lane Beds can send no more than 4 Teams to the Provincial Final). In the case of a centre with a number of lane beds not divisible by 25% to a round number, that centre will round up to the nearest number.(ie. A centre with 10 lane beds would be 2.5 teams, round up to 3 teams)
- 8) All competitors (Master and YBC bowlers) will be required to pay for their own lineage at the house round, if applicable. Lineage for the Provincial final will be paid by the M.B.A.M.
- 9) The Master bowler can be replaced by another Master if the need arises provided all Membership or Associate Fees have been paid. If this situation occurs, the replacement Master will continue with the team.

- 10) In the case of any road closures due to inclement weather the Provincial final may be a telephone hook-up. All out-of-town roll-offs must be completed by 12:00 p.m. on the day the provincials are bowled. The Provincial final will be held on the second Sunday in December.
- 11) In case of a tie during the Provincial final, the team with the most pins over average in the last game will be declared the winner.
- 12) Any exceptions to the above rules will be made at the discretion of the executive of the M.B.A.M.
- 13) For teams within the City of Winnipeg limits and including Selkirk, if any bowling center does not use their full allotment of teams as defined in Rule 7, their spots will be offered to the remaining Winnipeg and Selkirk centers on a first come/first served basis to a max of 28 teams.
- 14) For out-of-town centers with 6 lanes or less, they will be allowed to advance 2 teams or 25% of their enrolled Bantam and Junior program, whichever is greater. These teams will be allowed to participate in the provincial final via telephone or electronic hookup as per rule 10.

### **GUIDELINES FOR PERSONAL BOWLING BALLS**

- 1) Under the rules of the C5PBA, the use of personal bowling balls will be allowed where facilities permit. This simply means that each individual proprietor/manager has the authority to allow or disallow the use of personal bowling balls in his/her bowling center.
- 2) The specifications for bowling balls are:
  - a) A bowling ball must be of uniform roundness without indentations, other than wear and tear, and produced of one solid piece of material (plastic or rubber).

  - c) The weight range of the ball shall be from 3 lbs. 4 oz. to 3 lbs. 10 oz.
- 3) A maximum of two (2) balls per player shall be placed on the ball racks.
- 4) A house ball must be used should a delay in ball return occur.
- 5) It is considered poor etiquette to use another bowler's ball without permission.
- 6) There should be sufficient house balls on each rack to accommodate bowlers who do not have personal bowling balls.
- 7) The bowling center shall not be liable for damage to personal bowling balls.
- 8) Identification markings are mandatory in Masters tournaments.
